

USAGE QUICK REFERENCE GUIDE

PRIMARY DIRECTIONS FOR USE. SEE PRODUCT LABEL FOR ADDITIONAL GUIDANCE.

Always read the label and Safety Data Sheet before using any chemicals.

PRODUCT CODE	DESCRIPTION	USAGE QUICK REFERENCE
638010500	NORTHFORK GECA DISHWASHING LIQUID 1L	Use neat. For best results add a generous squirt of product to a sink of hot water. Before immersing items, scrape off food scraps and wipe away excess oils/fats. Let greasy items soak for a couple of minutes to let detergent actives work on hard-to-shift residues.
638010700	NORTHFORK GECA DISHWASHING LIQUID 5L	
638020700	NORTHFORK GECA NEUTRAL CLEANER 5L	<p>Spray and Wipe: Fill spray bottle with product diluted in cold water according to soiling. Apply to surface to be cleaned. Clean surface with cloth or sponge. Let dry.</p> <p>Mop and Bucket: Fill bucket with product diluted in cold water according to soiling. Clean floor, mopping up excess solution with tightly wrung out mop. Let floor dry thoroughly before burnishing.</p> <p>See product label for directions for use with automatic scrubbing machines.</p>
638030400	NORTHFORK GECA SPRAY ON WIPE OFF SURFACE CLEANER 750ML	<p>Use neat.</p> <p>Cleaning: Spray soiled surface and wipe clean.</p> <p>Degreasing and efficacy against germs: For especially greasy areas and efficacy against germs, thoroughly wet soiled surface with product. Leave product on surface for at least 10 seconds before wiping clean.</p>
638030700	NORTHFORK GECA SPRAY ON WIPE OFF SURFACE CLEANER 5L	
638049600	NORTHFORK GECA FOAMING HAND WASH 0.4ML CARTRIDGE	<p>For highest level of hygiene wash hands as follows: Wet hands, and then dispense a small quantity of product into the palm of one hand. Rubbing hands together, lather the product over all skin areas, including in-between fingers. Rinse hands thoroughly with warm water. Dry with clean towel or equivalent.</p>
638049500	NORTHFORK GECA FOAMING HAND WASH 0.8ML CARTRIDGE	
638060700	NORTHFORK GECA TOTAL BATHROOM CLEANER 5L	<p>Use neat. Squirt product directly onto surface to be cleaned with a clean sponge/cloth. Sponge product evenly over the surface, leaving the product for 10 minutes to kill germs, then rinse surface thoroughly with water.</p> <p>When cleaning tiled floors: Add 1/2 cup (125ml) of product to 1/2 bucket of water (1:40) and wash with mop.</p>
638080400	NORTHFORK GECA WINDOW AND GLASS CLEANER 750ML	Use neat. Spray product lightly onto window or glass surface and rub surface with a clean, lint-free cloth.
638080700	NORTHFORK GECA WINDOW AND GLASS CLEANER 5L	
638090500	NORTHFORK GECA TOILET BOWL AND URINAL CLEANER 1L	Use neat. Flush toilet or urinal before using product. Squirt product underneath the toilet bowl rim or along the top of the urinal, allowing the product to run down the sides to the bottom of the bowl/trough. Use a toilet brush to scrub sides. Flush to rinse.
638090700	NORTHFORK GECA TOILET BOWL AND URINAL CLEANER 5L	
638100701	NORTHFORK GECA LEMON SANITISER 5L	<p>General Cleaning: Dilute 1/2 cup (125ml) of product in a bucket of warm water (1:80).</p> <p>Disinfecting: Dilute 1:1 in spray bottle. Apply to surfaces, wiping clean with a cloth.</p> <p>Deodorising: Dilute 1:1, or as desired for scent intensity, in spray bottle. Mist into air. May be used with hot or cold water.</p>
638100801	NORTHFORK GECA LEMON SANITISER 15L
